Cust. No. : 20374

INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. §1.97(b)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

January 28, 2005

Sir:

The attention of the Patent and Trademark Office is hereby directed to the documents listed on the attached Form PTO-1449. One copy of each document is attached.

No fee or statement is required in connection with this Information Disclosure Statement, since it is being submitted prior to the last of (1) issuance of a first official action on the merits and (2) expiration of the three month period following filing of the above-captioned application.

Documents FA to FH are cited in the International Search Report of the present application. A copy of the search report is being filed concurrently herewith.

Documents FA to FC, FE to FF and FH to FK are not in the English language. However, the concise explanation of the relevance of the documents required under 37 C.F.R. §1.98 is believed to be satisfied by the submission of English language abstracts thereof. The abstracts attached to documents FI and FJ are abstracts of laid-open publications corresponding to documents FI and FJ and are identified by their laid-open publication numbers.

Document FD is also not in the English language. However, the document includes an English abstract. Therefore, the concise explanation of the relevance of the document required under 37 C.F.R. §1.98 is believed to be satisfied thereby. Document FE is a family member of document FD as described in the search report.

Documents FG, DA and DB are in the English language. Therefore, no concise explanation of the relevance of the documents is believed to be required under 37 C.F.R. §1.98. Document FG is an English counterpart of document FF.

Please note that documents FI, FJ and DA are described in the

U.S. National Stage of
PCT/JP03/13907
INFORMATION DISCLOSURE STATEMENT

PATENT

paragraph beginning on page 2, line 1, of the specification of the present application. Document DB is described in the paragraph beginning on page 2, line 8. Document FK is described in the paragraph beginning on page 2, line 15. Document FC is described in the paragraph beginning on page 3, line 2.

Finally, please also note an Examiner's obligation to consider documents cited in an International Search Report according to the provisions of MPEP §1893.03(g).

The Commissioner is authorized to charge our Deposit Account No. 111833 for any fee which is deemed by the Patent and Trademark Office to be required to effect consideration of this statement.

Respectfully submitted,

KUBOVCIK & KUBOVCIK
